

SECURITY CERTIFICATE

A security audit has been conducted on the Net Vision UPS application (NET-VISION7CARD v7.2) by the LEXFO company from March to May 2019.

LEXFO certifies that the application security has been verified within the deadline for this audit and that its technical security level is compliant with the state of the art of the OWASP security recommendations (www.owasp.org) or the ISO27002:2013 standard (www.iso.org).

Done at Paris, on May 13th of 2019
