

Inspection contracts

for ATyS Automatic Transfer Switch

Operation

In addition to the inspection visit for ATyS changeover switch, it is possible to sign for an inspection contract, according to your operating constraints.

It can be combined with your UPS contract.

Inspection contract PLATINUM +	923 305 7000

Key points

- > An annual inspection visit by a Socomec engineer certifying that the ATyS switch is functioning correctly
- > A detailed inspection report provided after each inspection
- > A list of every asset tested and detail of the inspection work carried out
- > Highlight any issues found

Benefits

- > High power availability guaranteed and performance optimised
- > Reduced risk of potential faults going undetected
- > Costly downtime and the risk of operating losses are cut
